

26-27 Resource & Transition Fair

Saturday, 17 October 2026
9:00am - 12:00pm

Pleasanton USD District Office; Training Room 3
5758 W Las Positas Blvd., Pleasanton, CA 94588

Adults with Disabilities Paid Internship Program (PACE)

The PACE Paid Internship Program supports adults with intellectual and developmental disabilities in gaining hands-on workplace experience while preparing for competitive integrated employment.

Each intern participates in three rotations during the nine-month program, working alongside an Employment Training Specialist and business mentors. Interns receive personalized support to build essential job skills, explore various career paths, and grow their independence.

In addition to paid work opportunities, the program includes daily work-skills classes that emphasize communication, adaptability, teamwork, and problem-solving skills, critical for success in any workplace. Interns leave the program with a resume, professional references, and continued job search and coaching support from the PACE team.

Applicants who meet program eligibility and successfully complete the interview process will have the opportunity to join this empowering experience for the 2026-2027 program year.

AES Professional Services (Adult Enrichment Services)

Adult Enrichment Services is proud to be led by Harpreet Kaur, honored with the Bernie Graf Excellence in Service Award by the Contra Costa and Alameda County Developmental Disabilities Council — an honor recognizing more than 20 years of dedicated service to the intellectual and developmental disabilities community.

It celebrates a career of person-centered care and one-of-a-kind community events — and a community where every individual feels valued, included, and celebrated. Personalized Supported Living, Independent Living Services, Coordinated Family Support, and Personal Assistance for adults with developmental disabilities in the Bay Area.

Camp Krem Camping Unlimited for the Developmentally Disabled

Since 1957, Camp Krem has provided "a place for Exceptional People to be themselves". Since then we have hosted an estimated 200,000 days and nights of independence-building recreation, fun and friendship to thousands of children and adults with special needs and much needed respite to their families and caregivers.

We offer six 10-day sessions in summer, and weekend activities several times a month, plus year around travel camp to such places as Disneyland, Universal Studios, Hawaii, Canada, Mexico and many national parks.

We are grateful that most costs are paid by Regional Centers.

East Bay Care

East Bay Care is a network of companies dedicated to empowering individuals with intellectual disabilities — Camp, CCI, and Community Day Program. Through our residential and adult day programs, we create a joyful, supportive, and secure environment where each person can thrive and reach their fullest potential.

Our diverse and talented team works hand-in-hand with our consumers in family-style settings which foster mutual respect and meaningful connections. Together we provide a happy healthy space for our consumers to live, work, and play in spaces that promote growth and positive life learning opportunities.

We serve adults (18+) within the Regional Center system who have a primary diagnosis of an intellectual disability. Our highly trained staff is equipped to care for both ambulatory and non-ambulatory individuals, ensuring that every person receives complete and personalized care.

Once your loved one is admitted to one of our homes, they won't just receive residential care, they truly become family and have found their homes for life!

Phone	510-547-7322
Address	101 Callan Ave., Suite 200 San Leandro, CA 94577

Fit Learning Bay Area

Fit Learning Bay Area provides one-on-one academic tutoring built specifically around how neurodivergent learners — including students with ADHD and Autism — actually learn, rather than a one-size-fits-all approach. Using evidence-based methods in reading, math, writing, and related skills for pre-K through 12th grade, our fast-paced, individualized sessions are designed to produce real, lasting learning gains — often a full year's academic growth in as little as 40 hours. Whether your child has a diagnosis or has simply fallen behind and needs a different approach, our doors are open to help them build both skills and confidence.

Futures Explored – Go Group

Futures Explored provides a variety of programs designed to support individuals with intellectual and developmental disabilities in building meaningful, independent lives. Participants engage in social, recreational, and volunteer activities while building life skills and engaging with their community. Participants can also explore career goals, build job readiness, and receive individualized support and job coaching. The Creative Arts & Media program offers a unique vocational path through hands-on training in film production, combining classroom learning with real-world experience in studio settings.

Go Group is Futures Explored's Community Connection program in Pleasanton. Community Connections programs support individuals in small groups to be engaged and contributing members in their communities. Each program has a dynamic calendar that includes opportunities for social/recreational activities; personal connections, volunteerism, advocacy, and self-expression; health and wellness; and independent living skills, among many other opportunities.

George Mark Children's House

George Mark Children's House is a place where children with serious and life-limiting illnesses and their families can find compassionate care, comfort, and connection. We offer a home-like environment where children and families can receive respite, transitional care, palliative and end-of-life care, and support during some of life's most difficult moments.

Here, care is about more than managing illness. It is about honoring the whole child and family, supporting quality of life, creating moments of connection, and making space for what matters most to each family.

At George Mark, families are surrounded by a team who understands that caring for a child means caring for the entire family, too.

Website	www.georgemark.org

Mission-Hope Day Program

Day Program for Adult Individuals with Developmental Disabilities. Mission hope has been serving the community since 2002. We are a community based Adult Day Program with a behavior management component licensed by Community Care Licensing and vendored by the Regional Center of the East Bay.

We furnish the necessary supports while using the least restrictive approach; allowing individuals to take control of their lives and assume the role of successful adults in our society. We also provide services to individuals that display behavioral challenges and need supervision. By following the guiding principles of Non-violent Crisis Intervention, we strive to provide the best possible care, welfare, safety, and security.

Pacific Homecare Services

Pacific Homecare Services provides quality in-home care services to the elderly and individuals with long-term physical or cognitive/intellectual disabilities. Since 2005, we have been empowering both seniors and the disabled community to reach their highest level of independence through quality caregiving services and support.

At Pacific Homecare Services, we treat each of our clients like we would treat our own family members by helping them thrive in every aspect of their lives. Our experienced care providers and administrative staff uphold the values of respect, honesty, and kindness. By providing personal home care motivated by compassion, our clients and their loved ones will have peace of mind throughout their entire Pacific Homecare experience.

Rhythm Quest

Rhythm Quest brings people together through the power of rhythm. Founded by board-certified music therapist Phil Didlake (MT-BC), we provide interactive group drumming experiences for corporate teams, schools, nonprofits, and special events across the Bay Area. We also offer individual music therapy sessions, drum lessons, and beat-making workshops. For over 17 years, Rhythm Quest has hosted the Livermore Drum Circle — a free community drum jam where everyone is welcome.

Rise 2 Success

Rise 2 Success was founded by Revathi S. Khivansara and Shukria Safi —two dedicated professionals with a shared passion for serving individuals with developmental disabilities. After working together as administrators for over eight years, they recognized the need for more compassionate, person-centered care and established Rise 2 Success to make a greater impact. Together, they bring decades of experience, leadership, and a deep commitment to helping individuals thrive with dignity and independence.

R2S is a vendor with RCEB, providing ILS, SLS, CFS and respite services.

Strides/Castro Valley Adult and Career Education

Castro Valley Adult and Career Education's mission is to strengthen our communities by educating and preparing adults to train for new careers, continue their education, and pursue lifelong learning in a safe, supportive environment.

The Strides program helps adults aged 22 and older with intellectual disabilities become more independent, reach career goals, and engage in their communities. The program focuses on self-determination and personal choice. It provides hands-on training in essential daily living skills, such as reading and math, home care, managing money, personal health, and using public transit. Participants gain confidence by building social connections and solving problems. They learn job readiness through exploring careers, volunteering, and improving computer skills. They also find enjoyable ways to spend their free time.

Sunflower Hill

Sunflower Hill offers Housing and Programs for People with Intellectual and Developmental Disabilities (I/DD)

Our mission is to create places and spaces where adults with I/DD live, work, learn, and thrive as part of the greater community.

We envision a world where people of all abilities are welcomed, empowered, and valued.

We are a registered 501(c)(3) non-profit co-developing affordable residential communities and creating programs and activities for people with intellectual and developmental disabilities that support independence and interdependence.

Our affordable housing community in Pleasanton, CA, and multi-disciplinary in-person and virtual programs and activities in Pleasanton and Livermore, CA are designed for adults with special needs (intellectual and/or developmental disabilities including autism, Down syndrome, cerebral palsy, epilepsy, and other chromosomal abnormalities).

The Respite Inn

The Respite Inn offers a warm, welcoming, out-of-home respite experience for adults ages 18 to 59 with intellectual and developmental disabilities.

We give caregivers a well deserved break while providing guests with a fun, safe, and enriching environment — just like a bed and breakfast!

At The Respite Inn, guests can:

- Enjoy a wheelchair accessible, home-like setting
- Make new friendships and build social skills
- Foster independence away from home
- Engage in fun activities in a supportive community

Whether it's a weekend stay or a longer visit, The Respite Inn is a social blast and a step toward a more confident, connected future.
